

2019 Contemporary Dance Academy Summer Intensives and Classes

This summer we will not only be offering our usual **week long intensives** for dancers, but also **weekly classes** for a seven week series June 17th-August 3rd!! Each dancer can take as much or as little dance as they want over the summer, but we know how hard they have worked throughout the year and would love for them to keep it up and stay moving! Registration will open on Monday, April 8th!

Week Long Intensives:

Summer intensives are the perfect mixture of intensity and fun! They are a wonderful way to try out the studio if you have never been here before, and if you have, get that extra bit of experience that will give your dancer the confidence and training they need for another exciting year. Below are all of the options to choose from and we hope you can all find something that will work with your busy summer schedules! Please feel free to email info@contemporarydanceacademy.com if you have any questions on which program to enroll your dancer in. Tuition will be due June 17th when the Summer Sessions begin.

Princess Camps: \$125

**This is the perfect way for your princess to spend her week! Dancers ages 3-5 get to have a fun class centered around a different princess and learn a new dance every day of the week. We will also make a craft, and have a princess tea party each day. At the end of the week we will put on a Princess Performance where the dancers get to get all "dolloed-up" and perform all of the fun dances they have learned! Each camp runs Monday-Friday for one week at a time. The cost of the Princess Camp is \$125 due June 17th.
