## **2022 Contemporary Dance Academy Summer Intensives and Classes**

This summer we will not only be offering our usual **week long intensives** for dancers, but also **weekly classes** for a 7 week series June 13th-August 1st!! Each dancer can take as much or as little dance as they want over the summer, but we know how hard they have worked throughout the year and would love for them to keep it up and stay moving! **Summer Registration will open on Tuesday, April 12th!**

### **Week Long Camps:**

Summer camps are the perfect mixture of intensity and fun! They are a wonderful way to try out the studio if you have never been here before, and if you have, get that extra bit of experience that will give your dancer the confidence and training they need for another exciting year. Below are all of the options to choose from and we hope you can all find something that will work with your busy summer schedules! Please feel free to email [info@contemporarydanceacademy.com](mailto:info@contemporarydanceacademy.com) if you have any questions on which program to enroll your dancer in. Tuition will be due June 13th when the Summer Session begins.

### **Princess Camps: \$150**

\*\*This is the perfect way for your princess to spend her week! Dancers ages 3-5 get to have a fun class centered around a different princess and learn a new dance every day of the week. We will also make a craft, and have a princess tea party each day. At the end of the week, we will put on a Princess Performance where the dancers get to get all "dolled-up" and perform all of the fun dances they have learned for friends and family! Each camp runs Monday-Friday for one week at a time. The cost of the Princess Camp is \$150 due June 13th.

Ages 3-5 (Mon-Fri)

Dates: June 13-17

Time: 10:00am-12:00pm

Ages 3-5 (Mon-Fri)

### **Make Me A Dancer Camp: \$200**

\*\*This week long camp gives dancers the opportunity to improve their ballet technique, as well as try many different styles of dance (Jazz, Hip Hop, Improv, etc) in a fun environment. Teachers will begin to teach them the basics of things beyond just "learning the steps" such as picking up choreography, performance quality, dance history etc. Each camp runs Monday-Friday for one week at a time. The cost of the Make Me A Dancer Camp is \$200 due June 13th.

Ages 6-9 (Mon-Fri)
