

CONTEMPORARY DANCE ACADEMY

Contemporary Dance Academy Summer 2025 Camps and Classes

This summer we will have both **week-long camps** for our young dancers, as well as **weekly classes** for all ages and levels. The Summer "Season" will be a 7 week series that will run the week of June 9th-July 27th!! Each dancer can take as much or as little dance as they want over the summer, but we know how hard they have worked throughout the year and would love for them to keep it up and stay moving! **Summer Registration will open on Tuesday, April 8th!**

Week Long Camps:

Princess Camps: \$175

Back by popular demand are our week long "Princess Camps" for dancers ages 3-5! This is the perfect way for your princess to spend her week where they will get to have a fun class centered around a different princess and learn a new dance every day of the week. Each day, we will also make a craft, and have a princess tea party. At the end of the week, we will put on a Princess Performance where the dancers get to get all "dolled-up" and perform all of the fun dances they have learned for friends and family! Each camp runs Monday-Friday for one week at a time. The cost of the Princess Camp is \$175 due June 9th.
