

# CONTEMPORARY DANCE ACADEMY

## Contemporary Dance Academy Summer 2026 Camps and Classes

This summer we will have both **week-long camps** for our young dancers, as well as **weekly classes** for all ages and levels. The Summer "Season" will be a 7 week series that will run the week of June 8th-July 25th!! Each dancer can take as much or as little dance as they want over the summer, but we know how hard they have worked throughout the year and would love for them to keep it up and stay moving! **Summer Registration will open on Wednesday, April 15th!**

### Week Long Camps:

#### **Princess Camps: \$175**

Back by popular demand are our week long "Princess Camps" for dancers ages 3-5! This is the perfect way for your princess to spend her week where they will get to have a fun class centered around a different princess and learn a new dance every day of the week. Each day, we will also make a craft, and have a princess tea party. At the end of the week, we will put on a Princess Performance where the dancers get to get all "dolled-up" and perform all of the fun dances they have learned for friends and family! Each camp runs Monday-Friday for one week at a time. The cost of the Princess Camp is \$175 due June 8th.

Ages 3-5 (Mon-Fri)  
Dates: June 15-19  
Time: 10:00am-12:00pm

Ages 3-5 (Mon-Fri)  
Dates: July 13-17  
Time: 10:00am-12:00pm

### Weekly Classes:

Does your dancer wish to keep up their technique throughout the Summer? Or maybe try out CDA for the first time? Our seven week session of classes is perfect for you! We will be offering Tiny Tot classes, Ballet, Jazz/Lyrical, Hip Hop, and more for all ages from the week of June 8th- July 25th! These classes will be held one day a week for seven weeks and tuition will be due June 8th. Please note: **All Summer Class placements should coincide with your dancers current Ballet level and Age.** The Fall Semester is when we start your dancers' new placements! Please reach out if you have any questions on what class to register your dancer for! See the schedule below for more information:
